

What is the Holy Spirit Saying for 2024 Prayer Points

1. **The call to go into deep relationship with Jesus is still going out.**

Pray in the harvest of people that will hear the call to go deep with the Lord. A blessed and highly favored company of saints. A bridal company.

2. **Don't settle!**

Pray to not be content with mediocrity and lukewarmness in relationships and with life. Pray to be lit on fire and to stay hot. (Revelation 3:14-21)

3. **In this season and era, there is a call to some saints to be ministers exclusively to Him.**

If this is you, pray into your purpose and destiny. For His reasons and purposes, some are called to be in this company. Many would call this intercession, but it is a grace that goes further.

4. **2024 will be a year of confessions and cleansings.**

Pray for the cleansing of the church and for saints to come into full repentance and to release their confessions to help and inspire others.

5. **In 2024, there will be a release of an entrepreneurial spirit or gift on God's people.** (Some would call it a pioneering spirit.)

This is a grace for new ideas and projects for ministries to take the gospel into new (and old) places. This grace is also for those who are builders and inventors. Pray for those saints that are tapped to be bold and courageous as innovators, builders, and networkers.

6. **2024 will be a year of open doors.**

Pray that the saints hear Holy Spirit's voice and go through the doors that He opens. Pray for the right alignment and timing. Pray for your right door to open at the right time.

7. **The Lord said "Don't get frustrated with me."**

Pray with faith that He is always seeing and working. Remember that He has *His* plans and timing, not just yours in mind. Pray and ask for revelation to understand as much as He will allow.

8. **During these tumultuous times, there will be miraculous harvests, circumstances, and windfalls which will speak of miraculous interventions. At the same time, there will be shortages, fear, and media messaging that disasters are looming.**

Pray for the provisions and blessings for God's people. Pray that many will wake up and perceive the supernatural interventions and that God has mercy on the sufferings of many during this era.

9. Laborers! Laborers! Laborers! (Matthew 9:37-38)

The call is going out for workers. Pray that enough workers go out to gather the harvest of souls.

10. 2024 will be the year that the Holy Spirit will call out and strip away the “myths and fables” in our lives.

Pray that we hear and receive the truth of who we are and what we were really made for and to leave behind the ideas of what we are not.

11. Teachings on prophecy and the last days will surge.

Pray that God’s people have a hunger for truth and an anointing like the “Sons of Issachar.”

12. As the spiritual battles and warfare intensifies, do not get stuck on injuries, offenses, casualties, and catastrophes.

Pray that God’s people stay strong, moral, and spiritually upright through the warfare and chastening of the church and its leaders. Believe that the best for you is still to come.

13. Government decrees, laws, statements, and action will continue to be erratic and a departure from reality. The media will do this as well as they both exercise their influence and power which will become increasingly demonic.

Pray that the Holy Spirit will restrain the beasts of government and media as the harvest is gathered and God’s will be accomplished. (2 Thessalonians 2:7)

14. The “spin” during this election year will be wild and outrageous.

Pray that truth and reality will prevail. Pray that the scales fall off the eyes of those who typically believe the non-sensical spins of news and commentary. (Acts 9:18)

Also pray that peace and rational thinking prevail where political atmospheres have become toxic and dangerous across the United States.

15. Immigration and border-crossings will accelerate in 2024. This is by design to break and socially re-engineer the United States as it creates chaos and deep resentments.

Pray that God has His way with the peoples that come into the United States. Pray that this dynamic turn into a positive for the United States as these people turn to God and become part of the harvest.

16. Abortion will be the primary election issue in many states in 2024.

This will be a test for the United States. Pray that the Holy Spirit and the church will push back on this strong delusion and practice of idolatry. Pray that God give us another chance on this issue.

17. Along with the pestilences stated in Matthew 24, I heard the word “cancers.”

Pray that ministers are raised up and healing gifts are given to the church to push back on this demonic release of strange and unprecedented cases.

18. In 2024, there will be a further and larger abandoning of posts, assignments, callings, and destinies due to frustration, despair, and hopelessness.

Pray that saints and for others to stay and fight through the despair. Pray that those with “callings” find their right vocations and place.

19. In 2024, there will be further waves of deception and delusions that will try to sweep over the United States. It will look and feel like baptisms of spiritual darkness. (Examples are war, abortion, racial violence, political violence, Israel vs Palestinians.)

Pray that that the Holy Spirit and the church push and hold back these waves of darkness.

Pray that the United States does not get goaded into a war due to principalities and powers that want it.

20. Because of lawlessness, 2024 will be a year of living dangerously for many people. (The days of Noah in Matthew 24.)

Pray that Holy Spirit roll back the iniquity and lawlessness that will create dangerous conditions for many people.

Pray that the Holy Spirit settle the agitation in the spirit that gets acted out in the natural.

21. The days are here (and in the future) where we will have to decide to either follow government law or go against the law due to faith and conscience. (This was a strong sense or impression.)

The government and the elites are ready and eager to control all aspects of civilian life. Pray that the church and U.S. citizens resist and roll back “laws” that are mainly based on following humanistic philosophies and goals (climate, diversity, equity, inclusion, etc.)

22. The “division” spoken of in 2020-23 is permanent until the return of the Lord. There is no closing the gap. (Both sides will seek to suppress the other.)

The division will go deeper. Pray that the Holy Spirit use it to His advantage to bring in a harvest and save all those who should be on His side.

23. Nature and the earth will increasingly vomit and convulse due to the sin and iniquity on the land. It will seem like nature will make war against its inhabitants. (Leviticus 18:28 and Romans 8:22)

Pray for pushback on the sins of idolatry, the shedding of innocent blood, sexual perversion, and broken covenants. Pray for mercy on the earth’s inhabitants and grace to gather the harvest.

24. Continue to pray for those in government that they make the right decisions and do what is truly best for the nation and the land.

Pray that their decisions will benefit the church and give us the time and space to gather the harvest.

25. The 2024 election will not be easy for either side despite what polls say. The election will be fiercely contested and the spiritual war will be intense. The U.S. hangs in the balance.

Pray for a continued awakening and that God's ways and choices prevail. Pray that the Holy Spirit roll back the waves of darkness and deception that will seek to cover the United States.

26. Pray into Israel for the sake of the United States and the world. (Genesis 12:3)

Pray that God's ways and plans prevail against the darkness that seeks to change the times and seasons. Israel is also a timepiece that will help the church understand the times and seasons that it is in.
